**YOU CREATE IT, WE MAKE IT**

## WHO WE ARE

Burnd'Red Welding & Fab Inc. is a Calgary, Alberta based fabrication and welding shop. Burnd'Red Welding was incorporated in 2005 by owner Dave Burndred. We have been servicing the structural steel & Oil and Gas sector for over 10 years.

We operate a modern 4000 sq foot welding & fabrication shop. Our shop has two 24' wide doors and a 5 ton overhead crane way. Our facility along with years of experience allow us to tackle a wide array of steel fabrication.

We are currently looking to form new business relationships and expand our steel production capabilities. Breaking ground in 2016 we will be moving to a new 10,000 sq. ft shop.
